

Two Hands practice sheet:

write each amount twice, in words and in digits

Write the words in your own language. One digit per box, right-aligned. TOTAL is the sum of rows 1 to 10.

#	AMOUNT IN WORDS	IN DIGITS		
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				
TOTAL				

Keep all four black squares in the photo. Photograph the sheet flat, from above, in even light.
Two Hands demonstration sheet. Not an official form; it asks for no names or signatures.
